

MICROSOFT FUNDED WORKSHOPS, DELIVERED BY SOFTCAT

COLLABORATIVE APPS WORKSHOP

BE A HYBRID WORK HERO
WITH MICROSOFT TEAMS

WORKSHOP HIGHLIGHTS

Identify ways to improve workplace productivity and meet business goals

Identify and prioritise key business scenarios to help solve specific collaboration challenges

Develop defined next steps based on your needs and objectives

Hybrid work transformed the way many of us run our businesses, with leaders working tirelessly to ensure their people could remain productive while logging in virtually. Even though hybrid work is our new reality, many employees are still jumping between disparate tools to get their work done. Constant app switching reduces performance, divides attention, and even lowers overall employee engagement.

TAKE ADVANTAGE OF A CENTRALISED WORKSPACE

Learn what the Microsoft Teams platform can do for your organisation. Our consultants will take a look at your unique business goals, workflows, and tools with you, then help create one central hub for all your work in Microsoft Teams! Experts will guide you through ways to extend and customise your Teams workspace, adding and connecting all the apps your people need to get their work done.

WHY YOU SHOULD ATTEND

The Collaborative Apps Workshop will enable you to explore opportunities to customise and extend your Microsoft Teams workspace using the power of automation. By attending this workshop, you can:

- **Get started fast** with over 1,000 ready-to-use, easy to connect apps available in the Teams App Store
- **Accelerate business outcomes** by using low-code solutions, or building a custom app tailored to your needs
- **Stay secure** as applications, data, and communications are protected across Microsoft and partner services

“Softcat will work with you to identify ways to improve workplace productivity and meet your business goals”
