

Softcat Plc

ENVIRONMENTAL POLICY STATEMENT

Softcat Plc has committed to operate a formal Environmental Management System (EMS) as part of our integrated Environmental and Energy Management System (EEMS) to the requirements of the International Standard ISO 14001:2004 and we commit to continual improvement in this discipline.

The scope of the Environmental Management System is for the Provision of IT infrastructure and services to the corporate and public sectors. It is our environmental policy to:

- Fulfill all compliance obligations including relevant laws, regulations and voluntary obligations (to which the Company subscribes) relating to our environmental aspects
- To identify and assess the significant environmental aspects and impacts of our activities and implement appropriate measures to reduce their potential environmental impact including a commitment to:
 - Prevent pollution and protect the environment
 - Promote sustainability, in partnership with our stakeholders
- Set and review environmental objectives and targets in order to measure our environmental performance.

The environmental management system will be documented and communicated to all persons working for and on behalf of Softcat Plc.

Colin Brown
